

**Linux Install Fest
and
Ubuntu 8.04!
Release Party**

**April 26th 2008
From 8:00am to 4:00pm
At TIES
1667 Snelling Ave. N.
St. Paul, MN 55108**

So bring your computer(s) and bring your friends computer!

We will be enjoying the new Ubuntu Release 8.04

**BUT We are HAPPY to help with ANY LINUX, and we often know
several different Linux/Unixes!**

We will have Linux/Ubuntu CD's ready to install,
along with a local repository mirror and
a few big fat internet pipes!

Hope to see you there!
